

## ***Animator/Motion Graphics Artist | Contract Job Description (12-18 months)***

### **Overview**

***Please send examples of your work (animation, motion graphics, character design) to [josiah@renewoutreach.org](mailto:josiah@renewoutreach.org)***

Renew World Outreach is a non-profit Christian ministry located in Stone Mountain, GA that provides cutting-edge technological tools and strategies to advance the Gospel worldwide. Our primary mission is to create innovative technology to reach the unreached and help the Global Church make Jesus famous. We highly value prayer, worship, and the power of the Holy Spirit in our community.

Renew is looking for a talented and creative Animator and Motion Graphics Artist to fill an immediate full-time contract position. This contract will last 12-18 month thru the completion of a video training set. The ideal candidate will be able to create videos that are well organized and cohesive in style. The art and character assets will be created as a template for future video training sets. This position will collaborate closely with an artist at Renew, so while graphic illustration ability is preferable for this job, it is not absolutely necessary. The following is an example of a training video created in the past: <https://vimeo.com/182559096>. Videos for this project would have higher quality art assets and animation, but maintain a similar level of simplicity.

We are looking for a highly motivated self-starter who can complete professional quality videos with short deadlines and little supervision. He or she should be able to collaborate with a team and contribute creative ideas and concepts. The ideal candidate will have experience in animation and motion graphics with a bachelor's degree or work experience in the field. The primary role of this position is to produce professional high quality videos to add to Renew's digital training strategy. Proficiency in Adobe After Effects is a must.

Skills for the Animator/Motion Graphics Artist include but are not limited to:

### **Required Skills**

- Proficiency in Adobe After Effects
- Experience with character animation
- Artistic and visual design talent
- Ability to communicate ideas and concepts in simple terms

### **Preferred Skills**

- Experience with Adobe Illustrator and manipulating vector graphics
